RE: Parcel Combination Requests

Effective December 1, 2018

The Auditor's Office will no longer be accepting Combination Request Forms to combine parcels for taxation purposes. These requests were handled as a courtesy in the past by the Auditor's office. However, in reviewing the Ohio Revised Code, it was brought to our attention that there is no statutory authority to allow these requests.

Starting December 1, 2018, a new legal description combining parcels must be obtained from a surveyor.

If you have any questions, please feel free to contact the office at 419-447-0692.

Thank you,

Julie A. Adkins
